

Judson Jennings began bending flatware in 2009 to make extra money when he couldn't find a job out of college. Today, with over 1,800 retailers throughout the US & beyond, FUA is bringing smiles to gift shops everywhere. With a skilled team of artisans in Ogden, Utah, Judson sees Forked Up Art as a symbol... "that Americans don't need to roll over and die financially when times get tough." The company started when a down economy met a can do attitude & continues to focus on providing a quality lifestyle for all involved.

# 2016 Retailer Price List & Workbook

## **\*New 2016 Net 30 Terms Policy\***

As of January 1 2016 if you have been approved for Net 30 Terms your total invoice balance needs to be received NO MORE THAN 10 business days after your invoice is due. If your payment is not received within the 10 business day time frame a late fee of 5% from your invoice total will be charged per day that the payment is late. Once the Invoice is over 30+ days late your account may be sent to collections.

## **\* New 2016 Shipping Policy\***

If you elect to use your own shipping account information to receive orders as of January 1 2016 there will be a 3% Fee of your total invoice applied.

## **2016 Minimum Online Advertised Pricing (MAP[Online]) Policy**

Forked Up Art, LLC, hereto known as "FUA", has worked hard to ensure that all authorized retailers provide consumers of FUA products with the advice, service, knowledge, and support necessary to maintain the high level of customer satisfaction we have developed. FUA has concluded that certain types of online advertising can effect our goodwill and is damaging to the standards and reputation that FUA products have achieved, and is unfair to fellow brick-and-mortar retailers. Therefore, Forked Up Art, LLC has a Minimum Online Advertised Price ("MAP[Online]") policy.

**Retailers are free to sell FUA Products at whatever price they choose as long as it is an in-store price and not an "advertised" price as defined below.**

MAP[Online] Policy: Retailers may advertise FUA products at or above the minimum online advertised price. **The MINIMUM online advertised list price must be equal to a 10% discount off of the retail prices posted on [www.ForkedUpArt.com](http://www.ForkedUpArt.com) AND the sum of product price and shipping MUST be equal to or greater than the Retail Product Price listed on [www.ForkedUpArt.com](http://www.ForkedUpArt.com).** This Policy is designed to equal the playing field between brick and mortar stores and online retailers; not to promote ForkedUpArt.com. For purposes of the MAP[Online] Policy, "advertising" means any advertising through authorized media. Authorized media consists of catalogs, retailer internet sites, online brochures, internet television, internet radio, e-commerce, third party sites such as Amazon, Ebay, Etsy etc, online forums and or any other method which uses the hypertext transfer protocol ("http") or any internal link to a web based shopping cart is considered online advertising for the purposes of this policy.

Online advertising at prices below the designated MAP[Online], violates the MAP[Online] Policy. Any price with a "strike through" treatment *is allowed* as long as the reduced price is greater than, or equal to the designated MAP[Online] price. Any online advertised price, discounts such as coupons resulting in an effective online advertised price for FUA products at less than the MAP[Online] will constitute a violation of the MAP[Online] Policy. Free Shipping is permissible. Permissions to have a "Sale" for up to 1-week must be written and agreed upon by FUA.

**Questions about whether a planned advertisement complies with this policy should be directed to Forked Up Art, LLC at (801)936-3675 or [info@ForkedUpArt.com](mailto:info@ForkedUpArt.com) for guidance.**

## **2016 Zip Code Protection Policy**

FUA has worked hard to ensure that all authorized retailers are the singular brick and mortar retailer selling FUA products in their immediate area. Therefore, FUA has a Zip Code Protection policy.

Objectives:

1. To ensure that our retailers are able to offer unique products to their immediate geographic clientele.
2. To establish FUA's retailer requirements for Zip Code Protection.

### **Forked Up Art will protect the Zip Code of the retailers that:**

- Place and maintain at least one order, fulfilling the minimum order requirement of \$125.00, every quarter of the calendar year.
- Have placed a minimum of 2 orders in total
- Do not clip our product tags.
- Pay for their orders on time, and do not have an overdue/past due balance.

### **Exclusions include:**

- Companies that distribute through a central location such as Hallmark Stores, Gold Crown Locations, Wild Birds Unlimited, and the like.
- Retailers that have previously purchased from FUA that are in the same zip code, but were denied protection because of non-adherence the above listed requirements

Forked Up Art will honor and mediate this policy to the best of their judgement and each case will be handled on a case-by-case basis. **Retailers in violation of any of the above listed requirements will not receive Zip Code Protection.**
